<p>1. In November 1955 I received a letter from my niece in Budapest. This letter contained the following interesting item (From translation):</p> <p>"The so-called flying saucers (rockets) [sic] for several weeks kept the people in a nervous state. These very fast speeding flyers kept scientific groups very busy. I'm sure you heard already from the papers, 25 thousand in per hour was estimated on these flyers."</p> <p>2. Included with the letter was the following sketch indicating the formation and suspected course of the above objects:</p> <div style="text-align: center;"> </div> <p>3. This is the first time my niece has mentioned such objects in her letters.</p> <p>4. [REDACTED]</p>
